

FLP® HOT NEWS

LAOSMIDDLE®, HONG KONG FASHION CHAIN-STORES, CONTRACTED WITH FLP® FOR ENTERPRISE, POS AND ACCOUNTING MANAGEMENT.

[2005-09-01] *FLP Development Team*

After years of company growth, one of the Hong Kong famous brand, Laosmiddle® has taken an advancing decision to fully computerize their operations from warehouse, front line chain stores, membership management, document management, accounting and management information. Eventually, Laosmiddle® has selected FLP® Enterprise Management System to replace their existing and merge inefficient manual process into FLP® after a prolonged evaluation of FLP®.

FLP® POINT OF SALES

FLP® Point of Sales solution provides unprecedented features that every invoice issued in the outlet shop gets into the central server at the same time. Accounting entries are also done at the same time. No more daily closing or monthly batch reconciliation! Everyday, at the close of shop, the accounting department knows exactly cash, visa, EPS transactions without requiring the frontline salesman to perform complicated upload procedures. Also, sales director can track the sale trend of each product and the performance of each sales person and shop.

FLP® WAREHOUSE MANAGEMENT

Immediate information of sales performance enable backoffice to get first hand information of stock level of each shop and also the warehouse. Delivery of goods can be arranged promptly from the warehouse to shops and production can be placed at a timely manner.

FLP® CUSTOMIZED TO YOUR BUSINESS AND ALL-IN-ONE

FLP® is a true all-in-one computer software meeting your needs in managing your business from frontline, backoffice and warehouse. You don't need to pay for extra database software cost. FLP® is always eager to tailor for your needs.

FLP® CONSULTING: SOFTWARE, HARDWARE AND REENGINEERING

FLP® is a more than computer software. FLP® provides professional consulting service at no extra cost. Even for a company not having a sizable IT department, FLP® advise on the operating system, software and hardware. FLP® also works along with you to plan for phases of reengineering.

FLP® BUSINESS MODEL

A FOUNDATION FOR YOU TO BUILD YOUR OWN BUSINESS MODEL

No two companies are the same even for companies conducting the same business in the same industry.

Why should you choose a standard software package

No other software solutions provide features and functions more costeffectively than FLP® does it. No other software solutions provide such an all-in-one interface integrating with your company wide business processes. FLP® provides a market leading collaboration platform for all your company staff to work on anytime, anywhere with unlimited scalability without physical country border barriers.

What's more, FLP® shares our experience with you to customize the software applications to suit your business and prepare for the future.
