

SYSTEM OVERVIEW
FLP[®] BUSINESS CENTER SERVICES

**BUSINESS
CENTER
SERVICES****ONLINE BUSINESS CENTER**

Business center owners spend hundreds of working hours each year to keep track of business status, facilities usages by clients, accounts receivable and changing customer information, for example, billing address. Provision of usual business center services, such as secretary services, meeting facilities, virtual office/mailing and address services may not be good enough to help you standing out from competition and offer your clients the deserved value-added business services.

LOWER OPERATION OVERHEAD

To survive in today's competitive market, a sophisticated yet cost effective computer system is indispensable to give you additional competitive edges for better service level, lower operation costs and management overheads.

BUSINESS CENTER SERVICES

BROAD FUNCTIONALITIES PROVIDING QUALITY SERVICES

FLP® Business Center System business model has the breadth and depth of functionalities available to help running your business center reliably, efficiently and cost effectively. The design and interface are so intuitive that the tedious routine tasks are well structured, schedules, and counted for billing purpose.

ADDITIONAL SERVICES PROVIDED TO YOURS

FLP® Business Center System business model provides to your clients additional business services, that would otherwise be too costly to provide, will be offered easily through FLP® Business Center System at an affordable price and hence an extra revenue. To name a few of the value added business services, those are, for example, the provision of virtual office services, human resources management services, accounting services, billing services and document management system.

FLP[®] BUSINESS MODEL

A FOUNDATION FOR YOU TO BUILD YOUR OWN BUSINESS MODEL

No two companies are the same even conducting the same business in the same industry. Why should you choose a standard software package.

No other software solutions provide more feature and functions than FLP[®] does costeffectively. No other software solutions provide such an all-in-one interface integrating with your company wide company business processes. FLP[®] provides a market leading collaboration platform for all your company staff to work on anytime, anywhere with unlimited scalability without physical country border barriers over the Internet.

What's more, FLP[®] shares our experience with you to customize the software applications to suit your business and prepare for the future.

FLP[®] is empowered by IBM[®] Lotus[®] Domino[®]/Notes[®] technology.
